Issues

1. Has the Designated Doctor (DD) examination been reimbursed appropriately per 28 Texas Administrative Code §134.204?
2. Is the requestor entitled to reimbursement for the disputed services under 28 Texas Administrative Code §134.204?

Findings

1. Requestor billed with CPT Code 99456-W5-26 in the amount of \$800.00 with two units and CPT Code 99456-W5-TC in the amount of \$800.00 with 2 units.

Review of the DWC32 and DWC69 form support that a request was requested to address Maximum Medical Improvement (MMI) and Impairment Rating (IR).

28 Texas Administrative Code §134.204 (j) Maximum Medical Improvement and/or Impairment Rating (MMI/IR) examinations shall be billed and reimbursed as follows, (1) The total MAR for an MMI/IR examination shall be equal to the MMI evaluation reimbursement plus the reimbursement for the body area(s) evaluated for the assignment of an IR. The MMI/IR examination shall include, (3) The following applies for billing and reimbursement of an MMI evaluation, (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350, (4) The following applies for billing and reimbursement of an IR evaluation, (C) For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas, (i) Musculoskeletal body areas are defined as follows, (I) spine and pelvis; (II) upper extremities and hands; and (III) lower extremities (including feet), (ii) The MAR for musculoskeletal body areas shall be as follows, (I) \$150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used, (II) If full physical evaluation, with range of motion, is performed, (-a-) \$300 for the first musculoskeletal body area; and (-b-) \$150 for each additional musculoskeletal body area and (iv) If, in accordance with §130.1 of this title (relating to Certification of Maximum Medical Improvement and Evaluation of Permanent Impairment), the examining doctor performs the MMI examination and assigns the IR, but does not perform the range of motion, sensory, or strength testing of the musculoskeletal body area(s), then the examining doctor shall bill using the appropriate MMI CPT code with CPT modifier "26." Reimbursement shall be 80 percent of the total MAR.

CPT Code 99456-W5-26 supports a Maximum Medical Improvement (MMI) and Impairment Rating (IR) for two body areas assigned. Examining doctor performed Diagnosis Related Estimate (DRE) to one body area and other area using Range of Motion (ROM) method however examining doctor did not perform the testing.

The total MAR for CPT Code 99456-W5-26 is \$640.00

Therefore, additional reimbursement is due.

28 Texas Administrative Code §134.204 (j) Maximum Medical Improvement and/or Impairment Rating

(MMI/IR) examinations shall be billed and reimbursed as follows, (1) The total MAR for an MMI/IR examination shall be equal to the MMI evaluation reimbursement plus the reimbursement for the body area(s) evaluated for the assignment of an IR. The MMI/IR examination shall include, (3) The following applies for billing and reimbursement of an MMI evaluation, (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350, (4) The following applies for billing and reimbursement of an IR evaluation, (C) For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas, (i) Musculoskeletal body areas are defined as follows, (I) spine and pelvis; (II) upper extremities and hands; and (III) lower extremities (including feet), (ii) The MAR for musculoskeletal body areas shall be as follows, I) \$150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used, (II) If full physical evaluation, with range of motion, is performed, (-a-) \$300 for the first musculoskeletal body area; and (-b-) \$150 for each additional musculoskeletal body area and (v) If a HCP, other than the examining doctor, performs the range of motion, sensory, or strength testing of the musculoskeletal body area(s), then the HCP shall bill using the appropriate MMI CPT code with modifier "TC." In accordance with §130.1 of this title, the HCP must be certified. Reimbursement shall be 20 percent of the total MAR.

CPT Code 99456-W5-TC is not supported as documentation provided shows the examining doctor did not perform the range of motion for Impairment Rating (IR) exam.

Therefore, no additional allowance is recommended.

2. The respondent issued payment in the amount of \$350.00 for CPT Code 99456-W5-26. Based upon the documentation submitted and the *Table of Disputed Services*, additional reimbursement in the amount of \$50.00 is recommended.

Conclusion

For the reasons stated above, the division finds that the requestor has established that additional reimbursement is due.
